

Our Internet Safety goal is to increase individual awareness, knowledge, and responsibility regarding safe internet use and appropriate Internet and network use while at home, work, or school.

Camp Creek's Internet Safety Committee consists of representatives from instruction, guidance, and technology services within the school community. By way of collaboration and communication with stakeholders, the Internet Literacy committee decided to use Cybersmart curriculum, NetSmartz resources and other recommended websites to instruct 4th and 7th grade students on safe and effective internet use.

The following teachers are responsible for planning and delivering instruction. The acronym **S MART** is used by Cybersmart:

Internet Safety Coordinator * Connie Thornburg * Technology Coach

- ❖ **S** * Safety & Security Online * John David Shanks * TST/Computer Lab
- ❖ **M** * Manners, Cyberbullying, and Ethics * Chasity Burdine * Guidance
- ❖ **A** * Authentic Learning and Creativity *
- ❖ 4th grade Teachers Leslie Miller & Rachel Collette
- ❖ 7th grade Teachers Glenea Lister & Mande Massengill
- ❖ **R** * Research and Information Fluency * Librarian
- ❖ **T** * Twenty-First Century Challenges * Susan Graves * Title 1

All school stakeholders will actively promote Internet Safety. The committee will continue to guide activity development, collaboration in and outside the school division on topics related to Internet literacy ,assessment, and is responsible for the review and updates to the Internet Literacy Program Plan throughout the year.
