

# Internet Safety

## Doak School Plan (Grade 4)

Carole J. Vest

### I. Curriculum

#### CYBERSMART.ORG

CyberSmart! fosters 21st century skills to increase student engagement and prepare students to achieve in today's digital society. Standards-based lessons are aligned with national and state technology and information literacy standards. CyberSmart! prepares students to use the Internet for communication, creativity, collaboration, critical thinking, and problem solving—the new basic skills for 21st century learning

The CyberSmart! Student Curriculum empowers students to use the Internet safely, responsibly, and effectively.

- **S** [Safety and Security Online](#)
- **M** [Manners, Cyberbullying and Ethics](#)
- **A** [Authentic Learning and Creativity](#)
- **R** [Research and Information Fluency](#)
- **T** [Twenty-First Century Challenges](#)

#### **Designed for maximum flexibility**

Nonsequential, the free CyberSmart! Student Curriculum is easily integrated into current curriculum. Each lesson stands on its own, including free reproducible student activity sheets.

#### **Standards-based—focused on 21st century skills**

Standards-based lessons are aligned with national and state technology and information literacy standards.

## II. Instructor

Carole J. Vest, Title Lab Teacher

## III. Instruction

Title lab and 2-3 lab will both be utilized for instruction. Class time will be a combination of lecture and discussion of the five internet safety topics. In order to effectively deliver instruction on the various topics the following will also be employed with the fourth grade students: 1. use of projector and document camera for visual delivery; 2. various Marzano strategies involving the students; and 3. computer use of safe internet sites.
